PghKnitAndCrochet.com • Festival Update newsletters

We're your customers' handmade news resource, all year long...

We're the **Pittsburgh Knit & Crochet Festival and the Pittsburgh Creative Arts Festival**, with more than a decade of history and attendee loyalty. Founded by fiber guru Barbara Grossman in 1994 as a simple fundraiser for her daughter's school, The Festival, an award-winning annual event, attracts an average of 4000 knitters, crocheters, weavers, spinners, sewers, quilters, crafters, designers and other art enthusiasts from around the country to participate in educational workshops and shop in a vibrant marketplace.

We're a **bi-monthly newsletter**, plus extra issue opportunities that run January through March. The Festival Update reaches over 6,165 opted-in knitters, crocheters, spinners, weavers, sewers, quilters, crafters, designers and other art enthusiasts in Pennsylvania, Ohio, West Virginia and surrounding states with news, reviews, giveaways and more.

We're **PghKnitAndCrochet.com**, we are two events and websites merged into one with plenty of activity. We offer our visitors not only the latest news on our events, but links to other vendors, guilds, charity projects, events and more.

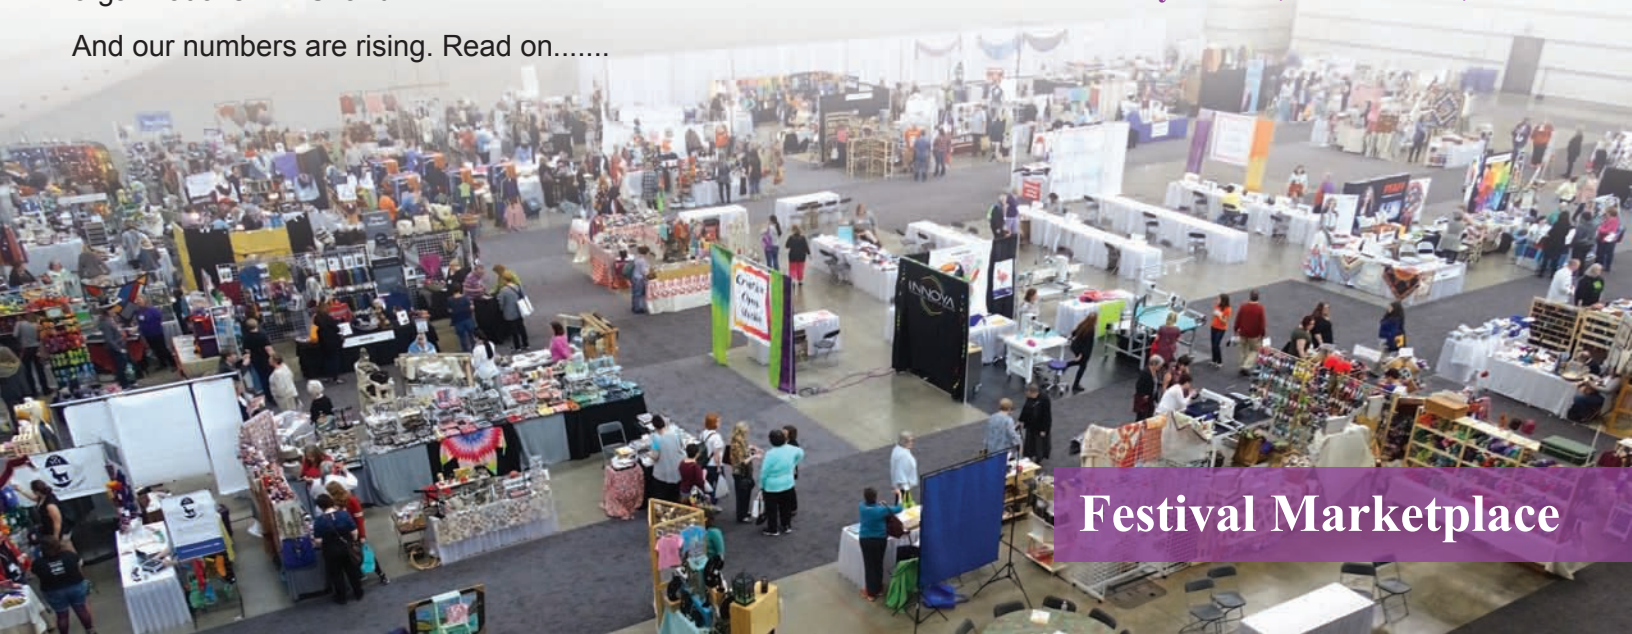

We are proud members of the industry's leading trade organizations: AFCE and TNNA

And our numbers are rising. Read on.....
